British Virgin Islands

Inspired by life on Tortola in the British Virgin Islands, HIHO brings a fresh island spirit to everyday dressing.

Soft cottons, breezy linens, lightweight sweaters, and original prints define a collection that's effortlessly chic and endlessly comfortable—from beach getaways to summers at the lake.

1921
1921tshirt.com

Milan, Italy

From Via Monte Napoleone, the heart of Italian luxury, 1921 creates premium graphic tees that celebrate the characters, places, and lifestyles that defined an era — cinema legends, fashion icons, vintage motorsport, music, and the golden age of ski culture.

Every piece is made in Italy on premium slub cotton, with original artwork you won't find anywhere else. The quality speaks for itself. The graphics do the rest.

A full-page photograph of two models standing in a doorway with a bright blue door. The model on the left is wearing a light-colored, sleeveless, knee-length dress with a floral pattern and is looking towards the camera. The model on the right is wearing a red, sleeveless, knee-length dress with a matching belt and is also looking towards the camera. The door has a brass handle and a keyhole. The walls are a warm, terracotta color.
